

# ACCELERATED TRAINING FOR ILLINOIS MANUFACTURING

## Be an ATIM Employer

Accelerated Training for Illinois Manufacturing (ATIM) is designed to provide accelerated manufacturing training tailored to specific needs of regional employers. The selected manufacturing occupations for this program are:

- Machining
- Mechatronics (Equipment Service & Repair)
- Welding
- Logistics/Inventory

### Key Program Elements

- Providing industry-recognized skill training and education along with Internships and On-the-Job Training (OJT) opportunities so employers know trainees are ready for work on day one;
- Giving employers the opportunity to influence the content and quantity of training made available in their region;
- Providing a no-risk chance to see potential employees in the workplace through various options of work-based learning; and
- Matching promising trainees and successful completers to specific OJT placements and job postings.

TRAINING • CONNECTING • DEVELOPING ILLINOIS' WORKFORCE

## Employer Benefits

- All individuals possess nationally recognized Safety Credentials from Manufacturing Skills Standards Council (MSSC).
- Skills training from NIMS, AWS, MSSC and APICS assure the highest industry skills standards.
- Wage reimbursements of up to 90 percent are available for OJT participation.
- Continuous improvement to assure quality candidates for your workforce.
- Minimal paperwork requirements.
- In many instances it will be possible to meet your company's specific skill needs.
- Job candidates trained via ATIM must pass a drug screening to be allowed into the program.

**Interested in participating?** Participation is offered only through regions receiving Workforce Innovation Funding for this program. View the regional map and contact an ATIM Region near you [www.ilworknetmanufacturing.com/ATIMMap](http://www.ilworknetmanufacturing.com/ATIMMap).
